## **JACK HOBAN RELEASES ANTICIPATED "THE ETHICAL WARRIOR" BOOK**

*Values, Morals and Ethics deciphered for all protector professionals.*

**Spring Lake, N.J.** – Aug. 15, 2012 – Resolution Group International (RGI) today announced the release of the anticipated book, *"The Ethical Warrior,"* by Jack Hoban, the training company's president & CEO.

Hoban's world-view was shaped by service in the U.S. Marine Corps, a life-changing epiphany at a Cold War bar and mentorship under two masters: The 34th generation grandmaster of the shadowy art of the Ninja and a sage of the Natural Law who may just have deciphered the meaning of life.

He now delivers a revolutionary view of moral values for our time epitomized by the Ethical Warrior - protector of self and others as equal human beings. Hoban's methodology reaches from the Greek ancients to the counterinsurgency efforts of today's Marine Corps to provide ethical clarity and confidence in our moral actions.

Written as a companion to the actual training, *The Ethical Warrior* is of great value to those interested in living a balanced, happy and ethical life. It addresses important questions such as:

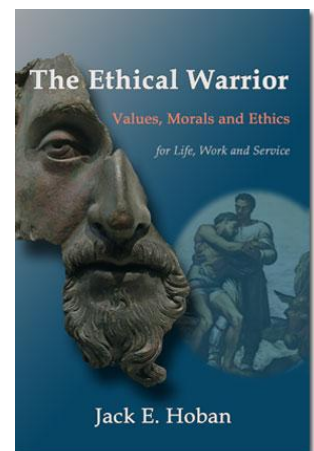

- Is there a "true north" on the moral compass?
- Is there an objective value that can be used to qualify our relative values as moral or immoral?
- How do we reject our tendency to dehumanize others not of our "in-group"- including our enemies - and respect true human equality?
- How do we do "the right thing" under the stresses of everyday life?

Published by [RGI Media and Publications](#), the *Ethical Warrior* is available [HERE](#) for \$14.99. Review copies are available by request. Click [HERE](#) for a longer introduction to the book.

### **What people are saying about the Ethical Warrior Training:**

"I recently listened to Jack Hoban's talk about the "Ethical Warrior/Protector" for one hour and 15 minutes. I honestly learned more about values, morals and ethics and their application, especially to law enforcement, in that 75 minutes than in my entire almost two decades of

study. I highly recommend that all true leaders invest time in learning more about what Mr. Hoban has to say." - Police Officer Survival Instructor

"Life changing." - U.S. Marine Martial Arts Instructor Trainer

"Amazing ethical insight; solidified my reason for joining the service as a protector."  
- Sheriff Officer

"I usually dread having to go to training. But from the first session I could tell that this was going to be different. Taught valuable lessons that not only apply to my profession, but to my personal and family life." - Park Ranger
